REALTOR® SAFETY WARNING

It has been brought to our attention that a man identifying himself as Omar Kassan has been seeking out female REALTORS® in multiple states and harassing them via texts and phone calls. Some of these calls have escalated to vulgar language and even threats. He has been contacting agents from the following phone number: 571-778-2660. However, some have reported that his number showed up as unlisted when he called them.

One of our own REALTOR® members was recently contacted by this individual. When she looked up the phone number online, she found many complaints about his offensive, threatening behavior.

We encourage you to block this phone number and use caution when screening communications. Should you experience a safety incident, please report the incident to your local police department as well as to the National Association of REALTORS® through the [REALTOR Safety Network](#).

Your safety comes first!
