Harrisonburg–Rockingham Association of REALTORS®

EDUCATION COMMITTEE OFFERS HOME SNAP ROUNDTABLE

On July 14th at Noon, Committee members Paul Whatley and Delany Westwood will discuss how to get the most out of Home Snap Pro which is available FREE through Paragon. Bring your lunch and all the questions you've been trying to figure out to the HRAR Meeting Room.

How to Get Contacts for Your Mailing?

Learn how to create highly targeted lists using RPR's free mailing labels feature. The platform offers REALTORS® up to 2,000 records per month. You'll select and customize map areas, and then filter the results to only the buyers or sellers you want to attract.

Check out this [3 minute video tutorial](#).

There's also a printable "how to" sheet for reference.

NOW is the time to ensure your real estate license requirements, continuing education (CE) credits, and fees are current so that you can continue to do business after the COVID-19 Executive Orders are rescinded on July 31. The clock is ticking for you to make sure your business requirements are in order. Act now!

What to Look for When Hiring a Web Designer Webinar

There are so many options these days to build and host your website, but for most in the real estate industry that doesn't have the technical know-how to go the DIY route, they typically hire a web designer or go with a company that specializes in the field to build, host, and maintain their site for them. And making this decision can be a time-consuming and confusing process. But not if you attend this webinar, as Amy will be joined by Jim Cronin of Real Estate Tomate as they will give you the tips and guidance you need to make the right choice for your real estate website needs.

Wednesday, July 7th at 4 PM EST

Instructor: Amy Smythe-Harris

Special Guest: Jim Cronin
